

THE ALLIANCE

Produce Alliance specializes in providing fresh produce category management services including procurement, national distribution, information services, and food safety assurance to food service clients across North America, the Caribbean and beyond. We manage an alliance of 100+ independently owned specialty distributors of fresh products, with combined produce sales of over \$6 billion annually.

OUR CORE VALUES

CUSTOM PRODUCE SUPPLY CHAIN SOLUTIONS AT YOUR FINGERTIPS

PRODUCE AT YOUR FINGERTIPS

PA Pantry introduces cutting edge mobile technology for your chefs and foodservice operators giving them real time access to custom specifications, online ordering, market information and more.

MANAGEMENT MADE EASY

The Produce Alliance Portal features a custom cloud-based management hub that provides your corporate purchasing team with executive level insight and real time access to product recalls, custom volume/service reporting, market alerts and more.

TRANSPARENCY YOU CAN SEE

PA offers a digital foundation that provides our customers with transparency throughout their supply chain. This visibility allows us to provide a multitude of custom services throughout the chain to streamline everything from accounting to store compliance to price verification. Our custom data integration continues to evolve to meet our customers ever growing needs.
