

### SUPERIOR REFRIGERATION SUPPORTING YOUR BUDGET NOW & LATER

G-Series refrigerators and freezers help maintain your bottom line by offering Traulsen's superior quality and performance, proven durability, and energy efficiency in an economical cabinet. Additionally, this line meets or exceeds most standard specifications for virtually all competitive brands' top-tier models.

**1**

#### REDUCE COSTS

- Superior temperature maintenance and recovery
- Efficient ENERGY STAR® models
- Rugged, all-metal construction facilitates long equipment life

**2**

#### SAVE LABOR

- Easy-to-clean, front-facing condenser
- EZ-Clean gaskets last up to 4 times longer than PVC

**3**

#### ENABLE YOUR EMPLOYEES

- Self-closing/stay-open doors
- Load-Sure guard ensures proper loading
- Microprocessor Control with LED Temperature display and smart sensor allows unit to adapt to changing kitchen environments

**4**

#### INCREASE REFRIGERATION SPACE

- Accommodates 18" x 26" sheet pans
- Extra usable capacity = more storage space per dollar
- Locating the evaporator coil outside the food zone provides more usable storage space inside the cabinet

**3 YEAR PARTS & LABOR  
WARRANTY  
5 YEARS ON COMPRESSOR**
