

CHEVENING

CHEVENING CLASS OF

2020

Dear Chevening Class of 2020,

Congratulations! To complete a master's degree in any year is an achievement, but to do so during a global pandemic, is extraordinary. I am so proud of how the Chevening Class of 2020 has responded to the challenges and for all that you have achieved.

There is no doubt that this has been a difficult year as you have continued to adapt to changes in your normal academic, social and personal lives due to the pandemic. I know, from talking to you and your Programme Officers, that the Chevening network has been a great support to you throughout the year. It has been a joy to see you come together through the good times, but seeing you come together to provide support, comfort, and a shoulder for each other is what the Chevening network is all about.

There has been plenty of wonderful memories made - you've cooked, debated ideas, made friends and learnt new skills across over 50 Chevening events this year. We celebrated the impressive 1,435 hours you spent volunteering at our digital volunteering awards ceremony and we were inspired by our scholar speakers at Chevening Conference in June.

It has been lovely to see some of you being able to make the most of the periods of relaxed lockdown. I've seen groups of you enjoying your first face-to-face meet ups, start running clubs and explore the ever-popular sights like The Giant's Causeway, the Lochs of Scotland and bustling London. I hope you get the chance to tick some more places off your UK bucket list before the end of your award.

What next for your journey? I hope that you will return to your home country having learnt something new about yourself, the UK and your area of expertise. I hope that your time here has fuelled your desire to make a difference in the world and that you now feel even better equipped to turn your passion and your vision into a reality. I know that whatever you go on to do, the Chevening network will be there for you every step of the way. Join your local alumni network, sign up to Chevening Connect and keep in touch with your local UK embassies and posts. You never know what opportunities the Chevening family may offer you.

So it's farewell for now Chevening Class of 2020, but it's not goodbye.

Remember...You're a scholar for a year, but you're a Chevenor for life.

All the best.

Naomi Rayner,

Head of the Scholarships Unit,

UK Foreign, Development & Commonwealth Office

“Class of 2020, what a year! Yet, you gave it your best and you came through the other side. I hope you had an incredible time and that this is only the beginning of better things to come!”

A photograph of a man and a woman standing on a bridge in London, likely the London Bridge. The woman, on the left, is wearing a tan coat, a white beret, and a dark scarf. The man, on the right, is wearing a dark coat, a black beanie, and a thick dark scarf. They are both smiling and looking at each other. In the background, the Tower Bridge is visible over the River Thames, with the London skyline in the distance. A white text box with a quote is overlaid on the right side of the image.

“Congratulations 2020 scholars! Great job for tackling head on what has to be one of the most unpredictable Chevening years. Wishing you all the very best for your bright futures ahead!”

A photograph of four people (three men and one woman) standing on a rocky mountain peak. They are all smiling and looking towards the camera. The man on the far left is wearing a blue and black plaid shirt and black pants. The woman next to him is wearing a blue jacket and black pants. The man next to her is wearing a black t-shirt, a black cap, and grey pants, with a camera hanging from his neck. The man on the far right is wearing a blue long-sleeved shirt, a green puffer vest, and green pants. In the background, a city is visible under a cloudy sky. A red backpack is on the ground near the man in the green vest.

“Congratulations scholars! This year has been so challenging but you have handled it amazingly and I have taken inspiration for every single one of you with how you have coped. Good luck in the future, I’m sure you’ll all go on to achieve your dreams in the future.”

Digital Anthropology

A group of four young adults, two women and two men, are standing in a vast, open field with rolling hills in the background. They are all smiling and raising their arms in celebration. The woman on the far left is wearing a blue puffer jacket and a black hijab. The man next to her is wearing a grey coat and a red scarf. The man next to him is wearing a blue coat and a grey beanie. The woman on the far right is wearing a red puffer jacket and a grey scarf. The sky is a mix of orange and yellow, suggesting a sunset or sunrise. The overall mood is joyful and celebratory.

“Congratulations 2020 Cheveners! Well done on tackling all this year’s challenges, I’m sure you’ll go on to do amazing things.”

A smiling Black man wearing a blue patterned sweater, brown pants, and a black cap is crouching on a pier. He has a camera strap over his shoulder. The background shows a harbor with ships, a large crane, and a red brick building under a cloudy sky.

“Adventures of all kinds don’t always go to plan, and it’s the lessons learnt from them that are important. A woman with dark hair, wearing a green puffer jacket, blue jeans, and a dark cap, stands on a stone path. She is smiling and has her right hand on her forehead. The path is made of large, flat stones and leads up a grassy hill. In the background, there are more hills and a large, pointed mountain peak under a blue sky with white clouds.

“If ever there was a year that tested the resilience, strength, determination, camaraderie, and community spirit of a future leader – this was definitely it! It’s been an incredibly challenging year and you have all handled it so exceptionally well. We at the Secretariat are definitely very proud of you! I wish you every success for the future and hope that all your dreams come true. You truly deserve it!”

A woman with curly hair, wearing a black long-sleeved top and bright pink pants, is captured mid-jump in the foreground, her arms outstretched. She is positioned on a grassy area with green bushes. In the background, the Clifton Suspension Bridge spans a deep gorge, with its two large stone towers and numerous suspension cables clearly visible. The bridge is surrounded by lush green trees and hills under a clear blue sky.

“Here we are at the end of a challenging, unique and inspirational year – you should be so proud of what you have achieved this year on award. While this part might be over, it is just the beginning of the next stage of your journey into a community of over 50,000 alumni – you truly are a Chevener for Life!”

Sophie Fenner, Senior Programme Officer – UK
